MAKE FUN WITH YOUR SCIENCE A TALENT PARADE

On Wednesday, **July 15 during the afternoon**, the congress organization has reserved a slot for young researchers presenting their scientific research with creativity and fun, in an amazing way. The presentations can be monologues, videos, comics, dramatizations or whatever your creative mind suggests ...

Who said science is not fun?

Several prizes will be raffled among participants.

To participate send us your proposal to: info@sociemat.es
